

Toyota Technological Institute (TTI), JAPAN Summer Seminar 2021

August 23 - 25, 2021 **ONLINE Edition!**

For those who are curious and looking to upskill...

TTI invites international students from partner universities for three-day seminar comprised of Laboratory Experience, Lectures, and Interactive Discussions.

Join us to be connected to TTI community where you can learn and make friends!

Seminar Theme

“International Cooperation in Engineering: The New Era”

Day 1	August 23	(Mon)	11am – 4pm JST	<ul style="list-style-type: none"> ● Opening Ceremony ● Lectures ● Interactive Discussion
Day 2	August 24	(Tue)	11am – 4pm JST	<ul style="list-style-type: none"> ● Laboratory Experience ● Interactive Discussion
Day 3	August 25	(Wed)	11am – 3pm JST	<ul style="list-style-type: none"> ● Laboratory Experience ● Closing Ceremony

* The schedule is subject to minor change.

Qualifications

- Undergraduate students in their final academic year / Postgraduate students majoring in Engineering
- To have background knowledge/necessary skills specified by TTI lab of your choice
- To have English proficiency to actively engage in Laboratory Experience and Discussion. The seminar is conducted entirely in English.

Financial Support

- Tuition is waived.
- Preparation of tools necessary for the Seminar, such as PC and software, is at the participants' own expense.

How to Sign up

- From the accompanying list, select up to four laboratories where you wish to participate in the Laboratory Experience. Submit the application form to an international relations office in your home university.
- You will be assigned to one of the laboratories of your choice for Laboratory Experience.

Notes

- Application may be turned down if an applicant does not meet the requirements for Laboratory Experience.
- The seminar may be cancelled if we do not receive sufficient number of applications.
